8:00 a.m.-12:00 noon**

Date: May 10, 2008
Place: Tyler, TX
Location: The American Legion Hall
5503 American Legion Road
Tyler, TX 75708

Time: TGWA East Texas Chapter and Texas Ground Water Association will conduct a continuing education program on Saturday, May 10, 2008. Registration for the class will begin at 7:30 a.m. with the program starting at 8:00 a.m. Classes should be completed by 12:00 noon.

Cost: The registration fee of \$60.00 will be charge for all TGWA/TGWA Chapter members and \$80.00 will be charged for non-members. **Cut-off date for pre-registration is Thursday, May 08, 2008. After that date, you will need to register and pay at the meeting. An additional late fee of \$20.00 will be charged to those who register after the cut off date. CHECKS SHOULD BE MADE PAYABLE TO TGWA.** Following the completion of the course, all participants will have a certificate for the number hours completed mailed to them. **For those who need only the rules & regulations or those renewing their apprenticeship, must also pre-register.**

IF YOU ARE USING ANY COURESES APPROVED FOR OTHER STATES, PLEASE COMPLETE FORM AND PUT YOUR OUT OF STATE LICENSE NUMBER (ALONG WITH YOUR TEXAS LICENSES NUMBER) ON THE REGISTRATION FORM

Effective December 1, 2003, they are as follows:

Revision to Continuing Education Requirements 16 Tex. Admin. Code Ch. 76.220(a)

“A licensed driller or pump installer is required to show proof of four (4) hours of continuing education per year with one (1) hour dedicated to the Water Well Driller/Pump Installer Statutes and Rules. Only courses approved by the Department can be used to satisfy this requirement.”

In addition, effective, apprentice registration renewal and applications for apprenticeships must have an attached certificate of completion of the Water Well Drillers/Pump Installers Statutes and Rules course.

Revised Apprenticeship Requirements Effective October 1, 2004

“Upon completion of a training program of at least two (2) years, an apprentice may apply to obtain a well driller’s and/or pump installer’s license or new the status as an apprentice. Upon renewal of an apprentice registration, the supervising driller and/or pump installer shall provide the Department a written progress report on the training segments 76.205(f)(3) pertaining to the apprentice’s stated training program. A one (1) hour Certificate of Completion of the Water Well Driller/Pump Installer Statutes and Rules course shall accompany each apprentice registration renewal.”

TGWA EAST TEXAS CHAPTER & TEXAS GROUND WATER ASSOCIATION
Continuing Education Program **May 10, 2008** **8:00 a.m.-12:00 noon**

May 10, 2008 (Saturday)

Time: 8:00 a.m.-9:00 a.m. (1 hour credit)

Texas Department of Licensing & Regulations (TDLR), Austin, TX

"Water Well Driller/Pump Installer Statues & Rules Course" Course #2658*

The course will cover new water drillers regulations and proposed future regulations.

This course is required for renewal of licenses for both water well drillers and pump installers. **Course is mandatory for the required one (1) hour of rules & regulations*

Time: 9:00 a.m.-10:00 a.m. (1 hour credit)

"Groundwater Districts Management in Texas/Developing Desired Future Conditions" Course #2664

The purpose of this course is to familiarize water well drillers with groundwater conservation districts in Texas and with the requirements of districts that may impact drillers' date-to-day business operations including their rules and regulations and the desired future conditions of aquifer which could limit drilling and withdrawal. This course of instructions qualifies as credit for water well drillers and pump installers.

Time: 10:00 a.m.-11:00 a.m. (1 hour credit)

"Groundwater Districts in Texas" Course #2660

The purpose of this course is to familiarize water well drillers with groundwater conservation districts in Texas and with the requirements that districts may adopt that would impact a driller's day-to-day business operations. This course will cover rules and regulations of groundwater districts in Texas. This course of instructions qualifies as credit for water well drillers and pump installers.

Time: 11:00 a.m.-12:00 noon. (1 hour credit)

"Water Information Integration & Dissemination (WIID) Web Application" Course #3514

This course of instructions qualifies as credit for water well drillers and pump installers.
