Texas Ground Water Association
Continuing Education Program
New Braunfels, Texas, Saturday, May 17, 2008
8:00 a.m.-12:00 noon**

Date: May 17, 2008
Place: New Braunfels, TX
Location: **Knights of Columbus Hall
111 Landa Street
New Braunfels, TX 78130**

Time: Preferred Pump & Equipment, TGWA Central Texas Chapter and Texas Ground Water Association will conduct a continuing education program on Saturday, May 17, 2008.. Registration for the class will begin at 7:30 a.m. with the class starting at 8:00 p.m. Classes should be completed by 12:00 noon follow by lunch.

Cost: A fee of \$40.00 will be charge per participant. Our thanks are expressed to Preferred Pump & Equipment for the reduced fee. Cut-off date for pre-registration is Thursday, May 15, 2008. After this date, you will need to register and pay at the meeting. A late fee of \$20.00 will be charge for those who register after the cut-off date. CHECKS SHOULD BE MADE PAYABLE TO TGWA. Following the completion of the course, all participants will have a certificate for the number of hours completed mailed to them. For those who only need the rules & regulations, as potential apprentices or those renewing their apprenticeship, must pre-register also.

IF YOU ARE USING ANY COURESES APPROVED FOR OTHER STATES, PLEASE COMPLETE FORM AND PUT YOUR OUT OF STATE LICENSE NUMBER (ALONG WITH YOUR TEXAS LICENSES NUMBER) ON THE REGISTRATION FORM

Effective December 1, 2003, they are as follows:

Revision to Continuing Education Requirements 16 Tex. Admin. Code Ch. 76.220(a)

“A licensed driller or pump installer is required to show proof of four (4) hours of continuing education per year with one (1) hour dedicated to the Water Well Driller/Pump Installer Statutes and Rules. Only courses approved by the Department can be used to satisfy this requirement.”

In addition, apprentice registration renewals and applications for apprenticeships must have an attached certificate of completion of the Water Well Drillers/Pump Installers Statutes and Rules course.

Revised Apprenticeship Requirements Effective October 1, 2004

“Upon completion of a training program of at least two (2) years, an apprentice may apply to obtain a well driller’s and/or pump installer’s license or renew the status as an apprentice. Upon renewal of an apprentice registration, the supervising driller and/or pump installer shall provide the Department a written progress report on the training segments in 76.205(f)(3) pertaining to the apprentice’s stated training program. A one (1) hour Certificate of Completion of the Water Well Driller/Pump Installer Statutes and Rules course shall accompany each apprentice registration renewal.”

MAY 17, 2008 (Saturday)

8:00 a.m. – 9:00 a.m. (1 hour credit)

Texas Department of Licensing and Regulation (TDLR),
Water Well Drillers Program, Austin, Texas

"Water Well Driller/Pump Installer Statutes and Rules Course" Course #2658

This course will cover new water well drillers regulations and proposed future regulations. **This course is required** for renewal of license for both water well driller and pump installers. **Course qualifies for required hours for rules & regulations*

9:00 a.m. – 10:00 a.m. (1 hour credit)

"Groundwater Districts Management in Texas/Developing Desired Future Conditions" Course #2664

The purpose of this course is to familiarize water well drillers with groundwater conservation districts in Texas and with the requirements of districts that may impact a drillers' date-to-day business operations including their rules and regulations and the desired future conditions of aquifer which could limit drilling and withdrawal. This course of instructions qualifies as credit for water well drillers and pump installers.

10:00 a.m. – 11:00 a.m. (1 hour credit)

"Groundwater Districts in Texas" Course #2660

The purpose of this course is to familiarize water well drillers with groundwater conservation districts in Texas and with the requirements that districts may adopt that would impact a driller's day-to-day business operations. This course will cover rules and regulations of groundwater districts in Texas. This course of instructions qualifies as credit for water well drillers and pump installers.

11:00 a.m. – 12:00 noon (1 hour credit)

"Water Information Integration & Dissemination (WIID) Web Application" Course #3514

This course of instructions qualifies as credit for water well drillers and pump installers.
