Time: Preferred Pump & Equipment, TGWA Gulf Coast Chapter, TGWA Mid-Coaster Chapter with the assistance of the Texas Ground Water Association will conduct a continuing education program, Saturday, May 31, 2008. Registration for the class will begin a 7:30 a.m. with the class starting at 8:00 a.m. Classes should be completed by 12:00 noon.

Cost: A fee of \$60.00 will be charged per participant. Cut-off date for pre-registration is Thursday, May 29, 2008. After that date, you will need to register and pay at the meeting. A late fee of \$20.00 will be charged to those who register after the cut off day. CHECKS SHOULD BE MADE PAYALBE TO TGWA. Following the completion of the course, all participants will have a certificate for the number of hours completed mailed to them. Those who need only the rules & regulations or those renewing their apprenticeship, must pre-register also.

IF YOU ARE USING ANY COURESES APPROVED FOR OTHER STATES, PLEASE COMPLETE FORM AND PUT YOUR OUT OF STATE LICENSE NUMBER (ALONG WITH YOUR TEXAS LICENSES NUMBER) ON THE REGISTRATION FORM

Effective December 1, 2003, they are as follows:

Revision to Continuing Education Requirements 16 Tex. Admin. Code Ch.

76.220(a)

“A licensed driller or pump installer is required to show proof of four (4) hours of continuing education per year with one (1) hour dedicated to the Water Well Driller/Pump Installer Statutes and Rules. Only courses approved by the Department can be used to satisfy this requirement.”

In addition, apprentice registration renewals and applications for apprenticeships must have an attached certificate of completion of the Water Well Drillers/Pump Installers Statutes and Rules course.

Revised Apprenticeship Requirements Effective October 1, 2004

“Upon completion of a training program of at least two (2) years, an apprentice may apply to obtain a well driller’s and/or pump installer’s license or renew the status as an apprentice. Upon renewal of an apprentice registration, the supervising driller and/or pump installer shall provide the Department a written progress report on the training segments in 76.205(f)(3) pertaining to the apprentice’s stated training program. A one (1) hour Certificate of Completion of the Water Well Driller/Pump Installer Statutes and Rules course shall accompany each apprentice registration renewal.”

The courses will provide educational issues on Desired Future Conditions, Mapping, Groundwater Districts and rules & regulations of the water well industry and all courses will be approved for drillers and contractors. The certificate of completion will expire 1 year from the date the course was taken. State requirement for license renewal in 2008 will require a minimum of 4 hours of CE credit over a 1-year period, with one (1) hour of rules and regulations, 1 hour provided by TDLR rules and regulations. Remember, all apprentices must have one (1) hour of rules to renew their apprenticeships. You may take as many or as few courses as you wish. We strongly urge you to PRE-REGISTER, as space will be limited and the availability of printed materials will be a factor as well.
